

Name: Drs. Kevin Vint and Kurt Scherle (We will be presenting together)

1. Lecture title:

Oral Surgery for the General Practitioner

2. Lecture brief description or abstract:

Drs. Scherle and Vint will attempt to demystify commonly encountered surgical challenges in the general practitioner's office. The presenters will provide an unbiased and unfiltered commentary for the entire dental team on various surgical topics. Who's hungry for a paradigm shift in Oral Surgery? It's feeding time.

3. 3 learning objectives for lecture attendees:

- 1) An algorithm for the entire team for tackling perceived Oral Surgery complications.
- 2) Management of the patient from extraction to ridge augmentation: Pearls, Pitfalls, Post-ops, and PRF
- 3) How sick is too sick in the office

Dr. Kevin Vint

BSc, DMD, M.Dent. (OMS), FRCD (C)
